ESTABLISHED MASS-MARKET COSMETICS BRAND ALSO TO BE SOLD!

- **Established Mass Market Cosmetics Brand with Trademark Registration in 30+ Countries.**
- **± $3MM in Revenue.**
- **±$2MM in Inventory.**
- **1,000+ Installed Store Displays.**
- **Website and Amazon Sales Channel.**
- **Approximately 67% of the brand's products are supplied by a single European supplier that has been in business for more than 100 years. This supplier relationship is very strong and long lived. All invoices are current.**
- **The remaining 33% of product is split across (4) suppliers in Europe and the USA. The brand owns its product formulas and can choose several different vendors to make these products.**
- **Marketing is focused at the point-of-sale via the brand's innovative displays and merchandising.**
- **Mass-market sales success is driven by product price point, quality, and supply efficiency.**
- **The brand can be operated with 3rd party-logistics or via 10,000 ± square feet of warehouse and order fulfillment space.**
- **The business model is capital-light with most investment being working-capital.**

All IP, Formulas, Customer Lists, Trademarks, Distribution Channels, and Related Intangibles Will Be Sold!
